

Final ITE Assignment

Name: _____

Date: _____ Due: 1/15/2010

This is your final assignment you will do this semester. You will use the sites below and do a final project in Alice. You can do a game or a movie or anything else you can think of. This assignment will be due 1/15/2010. If you want you may also use a program called Scratch with is similar to Alice if you would like. Use the tutorials and links below to help you with this assignment. I will not accept **ANY** assignments past the end of your class' exam time.

You will be graded on the following criteria...

- Difficulty (50pts.)
- Completion (50pts.)
- Quality (50pts.)
- Turned in on time (50pts.)
